

YOU'RE INVITED

Show us *who you are.*

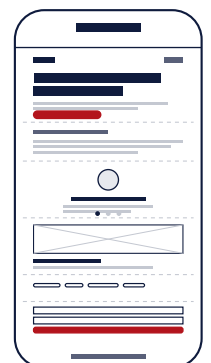

THE TOPIC

Team Portfolio Website

Dear students — form a team of three and build a responsive portfolio website that shows who you are. Build it at home, then present it at the venue in a 7–8 minute slot. Frontend only, no templates, and design carries 40% of the score.

THE BRIEF

Six sections. *Four rules.*

PROBLEM STATEMENT

“Design and develop a responsive Team Portfolio Website that showcases a team, its members, skills, and projects in a clean and visually appealing way.”

01 HOW IT WORKS

STEP 1 Build at home

On your own time, before 30 Sept.

STEP 2 Present at the venue

7–8 minutes per team, on 30 Sept.

02 MANDATORY SECTIONS

NON-NEGOTIABLE

01 Hero

Team name
Tagline or short intro
A clean visual

02 About

What the team does
Your mission and vibe

03 Team

At least 3 members
Name, role, short bio
Photo or avatar

04 Projects

At least 2 projects
Title and description
Image or link (optional)

05 Skills

Your tech stack as
visual tags or icons

06 Contact

Email and socials
A simple form (needn't work)

03 CONSTRAINTS

Frontend only HTML, CSS, JS or React
No backend Nothing server-side needed
No templates Build it, don't download it
Responsive Mobile and desktop

04 BONUS POINTS

+ Scroll and hover animations
+ Dark / light mode
+ Smooth navigation
+ Micro-interactions and loaders
+ A layout that isn't a Bootstrap clone
